Email:  
[MEDSIP@liverpool.ac.uk](mailto:MEDSIP@liverpool.ac.uk)

Following the success of the previous events, the next MEDSIP conference will be held in Liverpool on the 5<sup>th</sup> – 6<sup>th</sup> of July 2012. As in previous years, topics to be covered in this conference are:

- Physiological Measurement & Analysis
- Electrophysiology
- Critical/Intensive Care
- Medical Imaging and Image Processing
- Mathematical and Statistical Modelling
- Signal Processing
- Telemedicine & E-Health
- Health and Safety in Medical Application

Proffered papers are invited for submission as oral or poster presentations. In addition, there will be space for commercial exhibition from industry. Contributors are asked to submit a 1-page abstract in the first instance. A few selected papers will be invited to submit a full article for inclusion in a special edition of the International Journal of Biomedical Engineering and Technology.

The conference will be the ideal opportunity to disseminate research findings, discuss ideas with experts and to establish collaborative links.
